Appointments available?	Appointments are made available for eligible patients for Booster dose of Pfizer.	Appointments are scheduled for eligible patients to receive the 3rd dose of Pfizer Covid-19 Vaccine.	All 3rd dose Pfizer appointments are available via PHN curbside every Thursday.	Appointments are scheduled for eligible patients to receive the 3rd dose of Pfizer COVID 19 vaccine.	Yes	Appointments are scheduled for eligible patients to receive the 3rd dose of Pfizer COVID 19 vaccine.	Yes	Yes, as of now, Friday afternoons from 1:00 -4:30 PM at hospital
How does a patient register?	Patients can call primary care or PHN to schedule appointment. Staff will verify patient has received the two doses & see if patient is within the 6 month time frame.	Patients can call patient registration requesting an appt. The patient is then transferred to the vaccine clinic nurse by registration so the patients chart can be reviewed to verify medical qualification and previous vaccine received. After review, the patient is scheduled for an appointment.	Most are already registered with JSU but if they are not registered, we have "mini registration forms" available for the patients to fill out before a patient gets her 3rd dose Pfizer.	1) Patients can call registration to request an appointment. MSU Patient registration phone number: 575-464-4441 2) The patient is then transferred to the vaccine clinic RN by registration so the patient's chart can be reviewed to verify medical qualification and previous vaccine received. 3) After review, the patient is scheduled for an appointment.	Call the clinic schedulers via phone. Santa Fe Service Unit 505-946-9282; San Felipe 505-867-2739; Santa Clara 505-753-9421	Patient calls, makes appointment on Tuesday and Thursday time frames or in RN clinics.	Patient calls, makes appointment on Monday and Wednesday time frames or in RN clinics.	The patient can call all 505-782-7590 (scheduling hotline) to schedule appointment.  If they have not been seen here at the hospital before, they will need to make a chart either at the community event site (off hospital grounds) where they will be instructed to fill out forms and bring copy of official docs to clinic OR can register inside hospital when coming in
