OFFICE OF THE GOVERNOR P.O. BOX 99, SANTO DOMINGO PUEBLO, NEW MEXICO 87052 TELEPHONE (505) 465-2214 / 2215 FAX (505) 465-2688

My fellow community members, I hope this letter finds you and your families doing well.

December 8, 2023

In 2009 to 2010 our Pueblo conducted a community health survey and learned much about the health needs in our Pueblo. Since then, many things have happened: we started running our own clinic, expanded our tribal programs, and worked together as a community to get through the COVID-19 pandemic.

Now we would like to know what the community's health needs look like today, and how we can build upon the community's strengths to keep everyone healthy. Santo Domingo Pueblo, the Kewa Pueblo Health Corporation, and the Albuquerque Area Southwest Tribal Epidemiology Center (AASTEC) are conducting this survey to better understand your knowledge, opinions, and behaviors related to health and wellness. Your responses will be completely confidential. We will use this information to improve our programs and bring more resources to the community.

We respectfully request your help to complete this important community health survey. The survey will take 20-40 minutes to complete. You can take this survey online, via phone, or in the enclosed booklet.

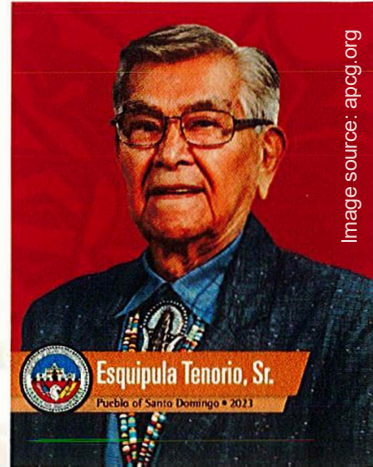

When you complete and return your survey, Albuquerque Area Southwest Tribal Epidemiology Center (AASTEC) will mail you a **\$25 gift card**. They will also enter your name into a raffle for a **grand prize**.

For more information, please read the "Important Information" section in the enclosed booklet. If you have any questions about the survey, please call Estefanita Calabaza, Kewa Family Wellness Center, at 505-231-9694 or Kori VanDerGeest, AASTEC, at 505-225-2010.

Your participation is greatly appreciated.

Sincerely,

Gov. Esquipula Tenorio Sr.
