

## 2025 Radon Artwork Contest Guidelines

**Introduction:** The goal of this contest is to encourage young minds to learn more about radon exposure in the home. Contestants can use their creativity to 1) promote awareness of radon and 2) show the benefits of testing homes for radon. Expand the knowledge of the potential health effects of radon exposure within the home to the 27 tribes in the Indian Health Service (IHS) Albuquerque Area.

- 1) Who can enter? (1 submission per person)
  - (a) Middle schoolers (grades 6-8)

7. Tips

- a. Read the Rules/Guidelines carefully and follow directions.
- b. Do some research on Radon.
- c. Be sure the information on the artwork is accurate.
- d. Make note of the Deadline for artwork.
- e. Draw a picture or pictures that help teach your idea or message.
- f. Think and be creative.
- g. Ask an adult to look over your idea/artwork.
- h. Don't make it too cluttered by putting too much information.
- i. Make it easy to read from at least 4 feet of distance.
- j. For non-digital artwork (example: hand drawing, painting, etc.) ensure that the scan is clear to give the best visual of the artwork when uploading it.**
